

# Team Achievement Award

## Objective

To recognize a team for outstanding accomplishment within or across any of the functional fields of comptrollership.

## Award Criteria

Any team of military, civilian or civilian and military persons employed by the Department of Defense or the United States Coast Guard (to include National Guard & Reserve Components) may be nominated. A team is defined as a grouping of individuals, made up of four to twenty individuals, brought together temporarily to perform a specific task not in the purview of the current office structure. ASMC membership is not required for nomination.

## Submission Requirements

Any office or person in the Department of Defense, or the United States Coast Guard (to include National Guard & Reserve Components) may nominate a team that has demonstrated outstanding performance. If nomination is through an ASMC chapter, chapters are encouraged to submit all qualified nominations. Only those nominations submitted on the official ASMC Team Achievement Award form will be considered. This form may be locally reproduced in the same size. The justification must be limited to two typed pages. Justification should cite specific examples and factual details. Do not attach supporting documentation or additional justification. It will not be considered during the evaluation process.

## Award Selection Procedures

Judging will be based on outstanding team performance as evidenced by documentation of specific ac-

complishments during the calendar year. The success of the team, adoption of study results or outcome of savings from the team's efforts will be necessary to determine the effectiveness of the team. A selection panel, chaired by a national officer, will review all nominations received and make final recommendations to the ASMC National Executive Committee, who will approve the final award winners. Winners will be notified by May 1.

## Deadline

Nominations **must be received** by January 31 to be considered by the selection panel. If January 31 falls on a weekend or holiday, the deadline will be the next business day. No exception to this deadline will be allowed.
